

# The Year of Loving

BY TRACI L. SLATTON

Art gallerist Sarah Paige's world is crumbling. One daughter barely speaks to her and the other is off the rails. Sarah is struggling to keep her gallery afloat in a tough market when she learns that her most beloved friend has cancer. In the midst of her second divorce, two men come into her life: an older man who offers companionship and stability and an exciting younger man whose life is as chaotic as hers.

Sarah's courage, humor, and spirit strengthen her, but how much can she bear, and what sustains her when all else falls away?
